Highway Dept. Has to Adjust Road Planning

LITTLE ROCK (AP)—The Arkansas Highway Commission today adjusted its long-range secondary road program to comply with a 1961 law requiring it to spend at least \$100,000 each year in each county.

The Commission revised a three-year program adopted early last year to meet the requirements of the new law, which was a result of a legislative compromise on division of highway revenues.

Highway Director P. R. Oliver said every effort was made to follow the original program, which was based largely on need, but that the commission found necessary to cut back some of the larger programs in some counties and to add projects in other counties.

"A few of the larger projects have had to be deferred in favor of smaller and less important jobs," Oliver said. He cited deferral of a 14-mile resurfacing project on state Highway 29 in Hempstead County.

Estimated cost of this project was \$369,500, but it would not apply toward the \$100,000 required by the 1961 law.

A three-mile project on state Highway 32, at an estimated cost of \$111,000 was programmed in its place.

Oliver said secondary road projects in the original program were selected on the basis of critical deficiency, service to area and population, maintenance considerations and economic growth to be realized through improvements.

Consideration was also given to the amount of primary work programmed in the counties in an effort to maintain an equitable geographical distribution of road construction," Oliver said.

"However, Act 150 of 1961 requires the Highway Department to spend at least \$100,000 on unpaved secondary projects. An absolute minimum of \$7.5 million will be required each year to comply with this act for a two-year total of \$15 million. It is estimated that each of the next two years approximately \$13.5 million will be available for construction of secondary roads during the two-year period."

Oliver did not explain how the commission plans to make up the \$1.5 million difference between available funds and required expenditure.

The commission cut back a total of 17 projects in 19 counties and added 10 projects in 11 counties.

P.B. Opposed to Rate Hike by ArkLa

PINE BLUFF, Ark. (AP)—Authorities here are contacting other Arkansas cities to determine how many plan to oppose a proposed rate increase by Arkansas Louisiana Gas Co.

The City Council instructed George Holmes, city attorney, to initiate the contacts.

Ark La has asked the Arkansas Public Service Commission to authorize an increase in the minimum monthly bill of \$1.10 to \$1.30. The total yearly increase is estimated at \$1.2 million.

Company officials cite rising labor and materials cost for the needed increase.

It is tied in with a company proposal to standardize — and in most cases increase — the taxes it pays to cities.

Holmes advised the City Council that unless Arkansas cities join in a fight against the increase there would be little chance for defeating it.

The PSC has set April 28 as the deadline for cities to file objections.

501 Is Hope Long Distance Dialing Code

Hope long distance telephone numbers get a new look beginning this month when the telephone company mails Area Code 501 stickers to customers with their regular bills.

Area Code 501 is the long distance calling designation for Hope under the nationwide telephone numbering plan, according to Manager Dean Brown of Southwestern Bell, Arkansas.

"Telephone numbers do not change under this plan," he said. "But customers should now consider Area Code 501 as part of their long distance numbers. Under this plan, you just add Area Code 501 to your local number to get your nationwide long distance number."

He said customers will be asked to put the Area Code 501 stickers on the number plates of their telephone dials.

"These stickers will help remind telephone users here to include Area Code 501 when giving their numbers to people in other states. By doing so, they will enable people in other places to call them faster."

Brown pointed out that if a caller from another city has direct distance dialing, he can dial direct to Hope telephones, using Area Code 501 and the local number. If he places his call with an operator, she can complete it faster for him if he gives her Area Code 501.

The telephone numbering plan gives a new twist to geography by dividing the country into dialing areas, each designated by a three-digit area code. The calling designation for all Arkansas cities is Area Code 501. In other nearby states, the Area Code for St. Louis is 314, the area code for Shreveport is 318 and Dallas' area code is 214.

This plan provides different long distance numbers for all telephones in the country. No two local numbers are alike within the same dialing area. When you combine the area code and local number, you have a long distance number unlike any other.

\$56,000 Given to Hendrix

CONWAY, Ark. (AP)—A Cincinnati, Ohio, banker has provided a \$56,000 endowment for Hendrix College in memory of his father, a longtime Methodist minister.

Dr. Marshall T. Steel, Hendrix president, announced the endowment from Reuben B. Hays Tuesday. Hays, a Hendrix graduate, is a son of the late W. D. Hays.

Conway Hall Sr. of Batesville provided a \$5,000 donation in honor of the late Dr. O. E. Goddard, another former minister.

Steel said the Methodist Joint Board of Education has provided a grant for construction of a foreign language laboratory this summer.

Russia Blasts U.S. Before UN Council

By TOM HOGE

UNITED NATIONS, N.Y. (AP)—The U.N. General Assembly is expected to reject a demand by the Soviet Union that it condemn the United States as an aggressor masterminding the invasion of Cuba.

The assembly instead is believed certain to adopt a rival proposal by seven Latin American nations appealing to all U.N. members to refrain from any action that might aggravate existing tensions.

The Soviet proposal, introduced Tuesday night by Deputy Foreign Minister Valerian Zorin after a new assault on the United States in the assembly's 99-nation political committee, calls for cessation of all assistance to the forces invading Cuba and urges U.N. members to give aid to Fidel Castro.

The Latin American resolution was expected to win wide support from member states openly concerned over President Kennedy's warning to Soviet Premier Khrushchev that the United States would take action if the Soviets intervene militarily in Cuba.

Kennedy's warning was read to the committee by chief U.S. delegate Adlai E. Stevenson, who delivered a blistering attack on the Castro government and rejected its charges against the United States.

Stevenson declared that Cuban Foreign Minister Raul Roa had not presented one shred of evidence to support his claims that the invasion Monday had been launched from Florida. Stevenson said Roa and the Soviet bloc representatives had reached a new low in trying to smear the United States with every innuendo and epithet in the book.

He called for a settlement of the Cuban situation by Cubans themselves and denied that the United States had played a role in the invasion.

Claims U.S. Pilot Shot Down in Cuba

MIAMI, Fla. (AP)—The Cuban army said, in a communique broadcast today by the Havana radio, that a U.S. military aircraft flown by a U.S. citizen was shot down over Cuba this morning.

The broadcast identified the pilot as Leo Francis Bell, but gave no military data. It listed numbers copied from personal papers, none of which were military papers, however.

The broadcast said the pilot was killed when his plane was shot down by Cuban anti-aircraft batteries.

His home was said to be 40 Beacon St., Boston.

The announcement said the plane was one of four shot down today.

The communique, identified as No. 3, said nine aircraft have been shot down since the start of the Cuban invasion Monday.

The announcer charged that the plane had bombed Cuban troops and civilians. The pilot's body was reported in the hands of the Cuban army.

The communique was signed by the commander of the revolutionary army's general staff.

Laos Asks and Will Get Help From America

WASHINGTON (AP)—The United States has agreed to send military advisers into combat zones in Laos to aid loyal forces in the fight against the Communist-led rebels.

U. S. officials, disclosing this today, said the number of such advisers will not exceed 300.

They said the action was taken at the request of the Laos government.

The United States has fully backed Britain's efforts to obtain the Soviet Union's agreement to issue a call for a cease-fire in Laos within 24 hours.

The Soviet Union so far has avoided fixing a specific time for a cease-fire. U. S. officials consider that the Soviet strategy may be an effort to string out the fighting until only a few hours before an international conference is seated to discuss the future of a neutral, independent Laos.

U. S. authorities were more concerned over the military situation in Laos than by the decision of former Premier Souvanna Phouma to skip Washington on his world tour.

The Laotian government decided today to ask its "friends and neighbors" for help, declaring four new rebel offensives backed by Communist troops from North Viet Nam threaten Laos and all Southeast Asia.

Foreign Minister Tiao Sopsit-sana said Laos wants more and better arms and a full-fledged U. S. Military Assistance Group to replace the body now training royal troops.

He asserted Laos is thinking of asking for foreign troops if the situation worsens.

The foreign minister did not say who besides the United States would be asked for help but indicated it would be neighboring Thailand and South Viet Nam.

There was no confirmation from Western sources in Laos of any massive rebel attacks, but the decision to seek more aid, including troops if necessary, was interpreted as an indication the situation is worsening.

Britain launched another diplomatic move to end the fighting. Foreign Secretary Lord Home announced in London that Britain has asked the Soviet Union to join in issuing a call for a cease-fire Thursday.

Sir Frank Roberts, Britain's ambassador in Moscow, was instructed to try to get an immediate cease-fire, Lord Home said, and conferred with Soviet Foreign Minister Andrei A. Gromyko.

Lord Home said Britain wants a 14-nation conference on Laos to open May 5, after an international commission has verified the fighting has stopped. The United States also insists on a cease-fire before a conference.

In Bangkok, Thailand's Premier Marshal Sarit Thanarat said the Soviet Union has suggested May 5 as the date for the 14-nation conference. But he said the Soviets insist on recognition of neutralist ex-Premier Souvanna Phouma as Laos' chief of state.

Souvanna now is recognized by the Soviet Union and the pro-Communist Pathet Lao rebels in Laos as the nation's legal premier. Heading home from a conference with Soviet Premier Khrushchev, Souvanna canceled a planned trip to Washington. He will stop off in Peiping.

Invaders Link With Guerrillas in Cuba, Havana Is Bombed

Kennedy Flatly Warns Russia to Stay Out

By LEWIS GULICK

WASHINGTON (AP)—President Kennedy has fired a straight from the shoulder warning to Soviet Premier Khrushchev to keep hands off Cuba.

Kennedy made it clear in a message to the Soviet leader Tuesday night that the United States will take immediate steps to counter any military intervention by outside force in the Cuban fighting.

The President declared moral support for the "Cuban patriots in their struggle for freedom" and said again that the United States intends no military intervention.

As Khrushchev's reaction to Kennedy's message was awaited, officials here reported no evidence of any military follow-up by Khrushchev to his threat to supply "all necessary assistance" to Cuba's pro-Communist Fidel Castro regime.

Khrushchev's threat to aid Castro came early Tuesday in a message to the White House.

In fit-for-fat on Moscow's publishing Khrushchev's note before it reached Kennedy, the White House made public Kennedy's answer at the same time Tuesday night that Secretary of State Dean Rusk gave it to Soviet Ambassador Mikhail Menshikov.

Authoritative sources said Kennedy personally devoted much time to wording his reply and conferring with advisers.

The result was a comparatively short—500 word—message sheared of usual diplomatic verbiage and using stronger terms than the restrained language Kennedy has used so far in his effort to get along with the Soviets.

Kennedy told Khrushchev: 1. The United States morally supports and will not hinder "Cuban patriots" in "their struggle for freedom" against the Castro government.

2. While the United States "intends no military intervention in Cuba, in the event of any military intervention by outside force we will immediately honor our obligations under the inter-American system to protect this hemisphere against external aggression."

Kennedy referred, as had President Eisenhower in a similar warning to Khrushchev last summer, to the commitments by the American republics under the Rio de Janeiro Pact to act together against any move by an outside power endangering peace in the hemisphere.

3. Rather than using the Cuban situation as a pretext "to inflame other areas of the world," Moscow should join in present opportunities for peace in Laos and the Congo and for agreeing to a ban on atomic tests.

4. Contrary to Khrushchev's claim that communism is the inevitable wave of the future, "the great revolution in the history of man, past, present and future, is the revolution of those determined to be free."

"What your government believes is its own business," Kennedy said. "What it does in the world is the world's business."

Kennedy's note made no mention of the rock-throwing demonstrators who broke windows of the American Embassy in Moscow Thursday.

Washington officials said the embassy had authority to protest on the spot if it decided the facts warranted.

For the third day in a row, the administration kept a tight lid on its intelligence estimates of what is going on inside Cuba. Many authorities said they were depending on news accounts—confusing as they are—for their information on the fighting.

Mrs. Norrell Is Elected to Congress

By JOHN R. STARR
Associated Press Staff Writer

Sixth District voters Tuesday chose Mrs. Catherine Norrell to succeed her late husband as their congressional representative.

Mrs. Norrell, campaigning on the strength of 22 years of experience as her husband's aide, carried nine of the district's 13 counties to become Arkansas' first

congresswoman since 1931. John Harris Jones, a Pine Bluff attorney, and M.C. Lewis Jr., who resigned as Hot Springs municipal judge to make the race, divided the remaining four counties. Two other candidates finished far back.

Almost complete returns gave Mrs. Norrell 9,824 votes to 5,762 for Jones, 5,250 for Lewis, 1,654 for James Cross of Pine Bluff and 292 for Sam Carson of Benton.

The election probably marked the last time the 6th District will vote as a unit. It is scheduled for division between the 1st and 4th Districts when Arkansas reduces its number of congressmen from six to four in 1963.

Norrell died of a stroke Feb. 15 after 22 years in office. Mrs. Norrell's term will expire when a new congress is seated early in 1963.

Mrs. Norrell was no worse than a second in any county and she either carried or led the ticket in Arkansas, Chicot, Cleveland, Dallas, Drew, Desha, Grant, Lonoke and Saline counties.

Jones pulled almost as many votes as the combined opposition in Jefferson County and he had a slight margin over Mrs. Norrell in Lincoln.

Lewis led the ticket in Garland and Saline counties, but Mrs. Norrell was close on his heels in both places.

Mrs. Norrell said she would continue her husband's policies. "I'm a conservative and I expect to vote as a conservative," she said. She promised to support pending legislation to increase the membership of the House so that Arkansas will lose only one, instead of two, seats in 1963.

Effie Wingo and Pearl Pedersen Oldfield, both of whom left office in 1931, were the last congresswomen from Arkansas. Both were elected to fill unexpired terms of their husbands, Mrs.

Oldfield won reelection in 1929 in her own right.

Mrs. Norrell, a native of Camden, lived in Hope. Fordyce and Monticello where her father, a Baptist minister, held pastorates. She married Norrell in 1922. The couple had one daughter, Judy, now a law student at George Washington University.

An accomplished musician, Mrs. Norrell was director of the music department at Arkansas A&M College after graduation from Ouachita College and the University of Arkansas.

Since accompanying her husband to Washington, Mrs. Norrell has been active in capital social circles. For the past two years she has been president of the Congressional Club, an organization of congressmen's wives and wives of ranking government officials.

Of the five candidates, only Cross, a 26-year-old cotton buyer, allied himself with a Jefferson and Lincoln county group which is seeking to refer the 1961 redistricting act to a popular vote in the 1962 general election. Referral would have the effect of requiring all congressional candidates to run at large (statewide) instead of by districts in 1962.

Referral petitions were circulated at the polls Tuesday.

Unless the redistricting act is referred, Mrs. Norrell will have to run against Rep. Oren Harris of El Dorado if she decides to seek reelection in 1962. The act puts Jefferson, Arkansas and Lincoln counties into a new 1st District and the other 10 counties into Harris' 4th District.

U.S. Base in Cuba Is Watchful

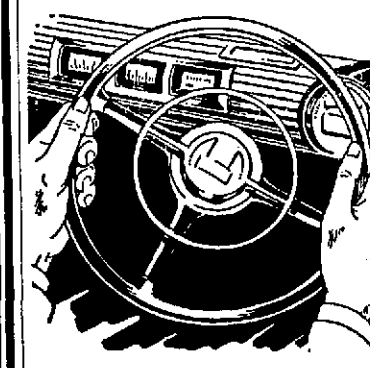

By BEM PRICE
GUANTANAMO BAY, Cuba (AP)—This big U.S. naval base on the eastern tip of Cuba is on a watchful, round-the-clock alert, but for the most part the fighting going on beyond the fence might as well be on another continent.

All is quiet in the immediate vicinity. The usual peace of the base is marred only by a slight increase in tension because of the stepped-up precautions and the lack of news of the invasion by anti-Castro rebels.

Rear Adm. E. J. O'Donnell, base commander, said in an interview that his operations office is operating around-the-clock; that a constant radar watch is being maintained and that fighters on the runways are ready to scramble skyward in less than five minutes.

O'Donnell said he also has on call 10 or 11 destroyers that can

Inquiry Ordered By President

WASHINGTON (AP) — President Kennedy ordered the inquiry which led to the transfer of Maj. Gen. Edwin A. Walker in a controversy over the John Birch Society, the White House said today.

The Army disclosed Monday that Walker had been relieved of command of the 24th Division in Germany and transferred to a staff position pending the outcome of an official investigation. The investigation, the Army said, would concern "published statements and actions" by Walker.

The Army announcement made no mention of the society, but officials said the move had resulted from published reports that an information program set up by Walker was distributing material about the society's philosophy.

Walker denied that the pro-

pump out 5-inch shells at the rate of one a second from twin mounts. "We have an enormous amount of firepower here," the admiral said.

While he did not say how close to this base the destroyers are roaming—they are obviously not in the harbor—he left no doubt they are close.

O'Donnell emphatically denied Cuban charges that some of the rebel invaders had come from this base.

Asked if American radar crews had discovered any signs of high-performance aircraft in the Cuban skies, the admiral said they had not.

There have been reports that the Cuban air force has at least seven Soviet-built jet fighters. If there are any Mig's around, O'Donnell said, they have not flown over the eastern end of the island.

Proclamation

LAW DAY USA
Individual freedom under law is the birthright of all Americans. Laws and courts exist to protect every citizen in the rights and privileges he enjoys under our Federal and State Constitutions. It is this liberty and equality for the individual which distinguishes our system of government from communism, under which millions of people are living in slavery. Without laws and courts the freedoms we often take for granted would be meaningless.

This important truth is to be recognized publicly in a nationwide observance of LAW DAY U.S.A. on May 1, 1961. The citizens of the city of Hope have been invited to participate. The observance will focus public attention on the important part law has played in America's growth and achievement.

The present state of world affairs makes it especially fitting that our people should at this time reaffirm their faith in the rule of law and their determination to strengthen it. This is both a timely and patriotic observance emphasizing respect for the law and good citizenship.

NOW, THEREFORE, I, Frank Douglas, Mayor of Hope, Arkansas, do hereby proclaim Monday, May 1, 1961, as LAW DAY U.S.A. in the city of Hope and call upon all citizens, organizations, and schools to recognize this special day and join in its observance.

weapons.

In the first group was August Jack McNair of Miami, Fla. The broadcast said the second group included Howard F. Anderson, a Havana resident from Seattle, Wash., an ex-Marine who once was the commander of Havana's American Legion post. He was arrested last month.

A Cuban broadcast denied rebel claims of new landings in northern Matanzas and Oriente Province and said an attack against the Isle of Pines had failed. Rebel leaders had asserted earlier this week that the prison island off the south coast had fallen and its 10,000 political prisoners had joined the insurgents.

Information on the progress of the invasion and Castro's defense against it continued sketchy, with neither the government nor the rebel command announcing much and communications with Western newsmen in Havana still cut.

The Cuban government radio said fight is continuing in Las Villas Province, where the rebels are believed to have made their main invasion stab.

A correspondent for the Yugoslav newspaper Politika reported from Havana that an invasion force of about 5,000, "armed with tanks and guns, light arms of American production and under protection of airplanes are now without success trying to broaden the original bridgehead in the province of Las Villas, on the southern coast of Cuba."

The Communist correspondent said the invaders captured a village Monday night "but the Fidel

Newlyweds Take Out Jealousy on Stepchildren

By HELEN WORDEN ERSKINE

Dear Helen:

I have been married four months to a man I love very much. It's a second marriage for both. I have two boys and he three girls. The boys are four and six; the girls 14, 11 and 9.

At the start my husband and I got along very good. But now he says I am jealous of his 14-year-old daughter. When I am around her he watches me like a dog and, if she asks me any question, he answers it before I get the

chance. I could cry. I can't eat, am losing weight fast and he won't do anything for me. When I ask him for a kiss he won't kiss me but he never says no to his daughter. He calls my little boy a baby because he cries when they play. My older boy is better at hitting back. Between them all, I'll land in the nut house. My husband blames me. I don't want to break up my marriage. Help.

—Mrs. B. S.

Dear Mrs. B. S.: You're jealous of your husband's children by a

previous marriage, precisely as he is of yours. In a sense you are shadow boxing with his ex-wife. Since they aren't present, you each take it out on the children. Keep it up and you'll have them all at each others' throats.

Get back to first principles. Start from the premise that you love your husband and he you. These separate sets of children would present no problem if you and he worked as a team in rearing them. Instead of "my" children, or "your" children, you each should look upon all five as "our" children. Once they get the idea of togetherness the kids will fall into line. After all, they are only mirrors of their elders. Send in stamped, self-addressed envelope for my leaflet, "Stepchildren."

Dear Helen:

My problem is a father with a quick temper. No matter what anybody in our family says, he jumps all over us and has caused many a tear. How can I help him? —Worried Daughter

Dear Worried Daughter: Ordinarily this would be your mother's problem, not yours. Temper, on any grounds is inexcusable. Those who are targets should speak up, not in anger, but with firmness. Encourage your mother to do this next time your father gives way to his temper. Say you'll back her up. If the other children do so too, the solid family front may surprise and shame him into reason.

Send your problems to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper.

The New Twins Making League Take Notice

By JOE REICHLER
Associated Press Sports Writer

It's too early to call Washington's move to Minnesota another "Milwaukee miracle." A comparison, however, with Boston's move to Wisconsin in 1953 is interesting.

The transplanted Senators, now the Twins, are faring much better than the Braves did at a corresponding date eight years ago.

No matter how they fare in Boston today, the transplanted Twins must go home to Minnesota Thursday with a winning record. In beating the Red Sox Tuesday 3-2, the Twins boosted their record to five victories in six starts and increased their first-place lead in the American League to a full game over the idle Cleveland Indians.

Installations Bombed in Cuba

ST. PETERSBURG, Fla. (AP) — A Cuban insurgent broadcast, picked up in St. Petersburg this morning, said Castro installations in Havana had been bombed twice Tuesday night.

Radio Swan, insurgent station on Swan Island off the Guatemalan coast said the first strike was carried out against Camp Libertad by two B26s and a light aircraft not identified.

The stations gave no details of the second strike. Whether the reported bombings had anything to do with the fading of the Cuban government radio was a matter of conjecture. Listeners in south Florida said Radio Rebelde's signal lost its strength after 1 a.m. and speculated the government outfit might be operating on emergency battery power.

Fight Results

London—Joe Brown, 134, Baton Rouge, La., outpointed Dave Charney, 134½, Englewood, 15. (Brown retained world lightweight title).

Omaha — Alejandro Lavorante, 206, Des Moines, Iowa, stopped Wayne Womochil, 194, Omaha, 2. Buenos Aires — Eder Jofre, 129½, Argentina, knocked out Sugar Ray, 120½, Dutch Guiana, 2. (unofficial).

Honolulu — Baby Brown, 124, Manila, outpointed Ray Salazar, 120, Los Angeles, 10.

wiped out the rest of the AL schedule.

Cincinnati took over first place in get in three of its four games. Cincinnati took over first place, defeating the Giants in San Francisco 3-1. The Dodgers knocked St. Louis out of its first-place tie, shading the Cardinals 5-4 in Los Angeles. Pittsburgh opened its home season defeating the Chicago Cubs 5-3. Rain washed out the game in Philadelphia with Milwaukee leading 3-1 after an inning and a half.

Perhaps the most encouraging thing about the Twins is that each day brings a different player in a starring role. Four shared that role Tuesday, including a couple of pitchers not named Camilo Pascual or Pedro Ramos.

The pitchers who brought a gleam of joy to Manager Cookie Lavagetto's eyes were Jim Kaal, a 22-year-old southpaw making his first start of the season, and Bill Pelis, a rookie left-hander, only recently placed on the roster.

Kaal held the Red Sox to one hit until the eighth as his mates staked him to a 3-0 lead against right-hander Billy Muffett. When he weakened in the eighth, Cookie brought in Pelis, who squelched a Boston uprising and went on to hurl 1 2-3 innings of hitless ball.

Outfielders Jim Lemon and Lennie Green furnished the main batting support, getting six hits between them.

Bob Purkey apparently wasn't listening when Fred Hutchinson, the Cincinnati manager, declared at the season's start that the team's fate this year was in the hands of the young pitchers.

The veteran right-hander, who was 31 in July, pitched his second straight victory Tuesday night, a 9-1 triumph over San Francisco, and boosted the Reds into first place in the National League.

It was Cincinnati's fourth success in six starts and Purkey's second complete game. The rest of the staff, which includes Jim O'Toole, Jay Hook, Jim Maloney and Joey Jay, all in their early 20s, have only one complete game among them.

The Reds own a half game lead over the St. Louis Cardinals, Giants and Pittsburgh Pirates, all tied for second. Los Angeles dropped St. Louis out of a first-place tie with a 5-4 night victory over the Cardinals and Pittsburgh moved up by beating the Chicago Cubs 5-3 in the only game played in daylight. Rain washed out the Milwaukee-Philadelphia game with the Braves leading 3-1 at the end of an inning and a half.

The elements played havoc with the American League schedule. Rain, snow and cold weather postponed all games but the one in Boston. Minnesota solidified its hold on first place, shading the Red Sox 3-2.

Purkey, Cincinnati's leading pitcher last season with a 17-11 record, permitted the Giants only six hits and lost his bid for a shutout when Willie Mays led off the last of the seventh with his second home run of the season.

Wally Post, Gene Freese and Gordon Coleman led a 10-hit attack on starter Billy Lees and two relievers. Post got a double and two singles. Freese drove in three runs with a pair of singles and Coleman clouted a three-run homer, his second of the campaign. Home runs by Frank Howard, Wally Moon and Johnny Roseboro accounted for the first four Dodger runs but the last and winning tally, in the sixth, was unearned.

Pitcher Roger Craig, who went 6 2-3 innings and got the victory, opened the sixth with a single and moved to third when Bill White threw wild after fielding Maury Wills' sacrifice bunt. An infield out scored Craig.

Ken Boyer drove in two Cardinal runs with a pair of home runs. Stan Musial batted in the other two. Rookie left-hander Ron Perranoski preserved Craig's

Porks Take Off From Practice

FAYETTEVILLE, Ark. (AP) — The Arkansas Razorbacks took the day off today from the spring football workouts but practice is set to resume Thursday.

Tuesday's scrimmage was cancelled after coach Frank Broyles and his assistants viewed films of Monday's session. Broyles said the films showed so many errors that Tuesday's practice was needed to recheck the plays.

Centers, fullbacks and ends were put through hard drills and submarine tackling for the first 30 minutes of Tuesday's outing by line coach Wilson Matthews.

The Razorback passing game, off to an earlier start this year than usual apparently has a long way to go before Broyles is satisfied.

However, the Hogs' mentor said he doesn't expect the passing to be polished yet. "We're spending 45 minutes every day on it and although the passing is not looking good, we're not discouraged," Broyles said.

Broyles said the Razorbacks, still working the kinks out, are bothered by indecision and hesitation on where to go on various plays.

first triumph of the season disposing of White with two out and the bases full in the eighth.

Perranoski retired the side in order in the ninth, fanning Boyer and Daryl Spencer, who drove in five runs on Monday. Al Cicotte, Card starter, was charged with his second loss.

The Pirates scored twice in the seventh to snare a 3-3 tie against the Cubs. Dick Stuart, who had driven in a run in the fifth with a triple, knocked in what proved to be the winning run with a single. A squeeze bunt furnished the extra run. Southpaw Vinegar Bend Mizell, with the help of Elroy Face, was credited with the victory as Pittsburgh opened its home season before 30,731 at Forbes Field.

Brown Ready to Travel for Fights

By RONALD THOMSON

LONDON (AP) — Have crown, will travel, was lightweight champion Joe Brown's pledge today after whipping Dave Charney in his record 10th title defense.

"I am ready to travel anywhere in the world to defend my crown," said the 35-year-old American with the elegant touch, who outpointed the British and European champion in 15 thrilling rounds before 18,000 at London's Earls Court Stadium Tuesday night.

Even two sets of swollen knuckles and the actions of spectators who jeered the decision couldn't dampen the spirits of the Baton Rouge, La., Negro, who may pocket as much as \$50,000 from the bout.

He'll go anywhere to fight, he said, and that might mean the Philippines, where he has an offer to defend against either Flash Elorde or Bert Semolina.

The decision touched off an outburst of booing by many in the hometown crowd. Brawling broke out in some parts of the hall. A bottle conked one fan on the head. Police escorted referee Tommy Little, the sole official, from the ring through a line of jeering fans.

Brown shrugged off the demonstration. "Man, you get to expect this kind of thing when you're fighting away from home," he said. "After all, this isn't Houston."

Most observers agreed that Brown had all the class and deserved the decision after leaving the blood-soaked Charney with nothing but his fighting heart.

Brown, who stopped Charney on cuts in five rounds in their first title bout, in Houston 16 months ago, opened a cut on the bridge of the Briton's nose in the first round that bled freely the rest of the way. He fought back gamely in the last four rounds but Brown stayed in control.

Long Wait to Find Out Who Won

By CYNTHIA LOWRY AP TV-Radio Writer

NEW YORK (AP)—The Academy Awards ceremonies may be Hollywood's proudest night, but the 2 1/2 hour television vigil was a long wait to find out who and what won four or five awards.

For residents of the Eastern part of the country, the last "Oscar" was handed out at 12:45 this morning, and even M. C. Bob Hope, who had been introducing, wisecracking and pacing the stage, was showing signs of fatigue.

There were, of course, occasional bright moments as the behind-the-camera awards were being handed out earlier in the evening. There were movie stars by the gross to look at. There was a poignant moment when Elizabeth Taylor, recuperating, but still weak, was escorted tenderly by husband Eddie Fisher to receive her award for best actress and gave a brief, tremulous word of thanks. There was the funny, awkward moment when Steve Allen and Jayne Meadows were left holding an "Oscar" nobody came up to claim.

But it would be a better and more interesting television show if it were cut in half, both in the number of awards and in the length of the program.

Immediately after the "Oscar" show, ABC premiered its network "news final," a late news wrap-up which hereafter will come along at 11 p. m. It was the first trial having ABC correspondents report their own stories instead of an announcer reading the news. The big story was Cuba. But the business of bouncing that story between New York, Wash-

ington, Buenos Aires and other points seemed aimless and time consuming.

Bill Cullen, who recently decided to abandon his daily, local four-hour radio stint, apparently found he can't stand so much leisure. He has signed to take Arthur Godfrey's hosting job on "Candid Camera" next fall.

Recommended tonight: "Cry Vengeance," NBC, 10-11 (EST)—an original drama about a Sicilian outlaw, with Ben Gazzara and Sal Mineo.

Arriving N. Y. Central at Union Terminal 3:05 P.M. today Love, Dixie.

I looked at Max. "I thought her name was Laura?"

"It's not from Laura," he said bleakly. "That's the trouble. Laura is arriving this evening." "It's 3:30 now, Dixie is either still waiting at the station or on her way here. She phoned from the station a few minutes ago. I told Cecil to tell her I wasn't here, that he didn't know when I would be here—oh, it's a mess. She—" "Hey," I broke in. "Back up. Was this Dixie invited to the wedding?"

He groaned. "Jim, you've got to help, please. Go to the station right now and get her on a train back to Chicago, anywhere. Pay her fare, give her money if you have to." He took out a wallet and extracted a sheaf of bills. "There's five hundred. Give it to her, do anything, but get rid of her. I'll explain everything later." "Go, go, go."

I was bewildered. "How will I know her?" I asked, taking the money.

"Small girl, brown eyes, short nose, dark brown hair, worn short—sort of a—what do they call it? Pixie, Italian shag?" "I get it," I said. "She's an ex-girl friend showing up at the wrong time?"

"Right, right," Max said impatiently. "Just go, please. I'll make it up to you."

I opened the door and spoke to Max over one shoulder. "Is the key in your car, you cad?" Behind me I heard him utter a sort of moan. "She's here!"

Yerger High Students Attend Workshop

Four students and two teachers of Yerger High School motored to Jefferson City, Missouri for the 13th Annual Headliner Workshop which was sponsored by the journalism department of Lincoln University, April 12-15. The students were Bessie Mills, El Davis Colbert, Richard Nimmer, and Mattie Rutherford. Advisers were Mrs. Ruth Love and Mr. A. B. McQueary.

The purpose of the workshop was to inform the participants on how to better their school publication, yearbook, and photography.

At the 13th Headliner Awards banquet Richard Nimmer, Gene Briggs, and Mattie Rutherford received honorable mention in the 11th National Scholastic Essay Contest on "What I Think of Politics".

The next two days was centered around the classes of the three departments which were newspaper, photography, and yearbook. Prof. W. M. Rice, Southern Illinois University, Carbondale, Illinois, taught the newspaper workshop. Prof. L. S. Cole, Lincoln University, taught the photography class. Instructors for the yearbook division were Mrs. P. A. Wills, Lincoln University and Hugh Penniston, of the Walsworth Publishing Company, Marceline, Mo.

The last day of the workshop the students were presented with prizes and certificates of attendance and participation. Several of the merchants and businesses distributed souvenirs.

Total Arkansas farm income was estimated at \$367 million for 1960.
